Subject: FOIA Request Identify Homer Township properties

October 17, 2023

Dear Clerk Bozen,

Under the Freedom of Information Act I would like to request the following documents from Homer Township.

It is my understanding that since May 2021 the township underwent a type of inventory/assessment of all the properties owned by the township. This included identifying exactly which properties are owned by Homer Township, their size and appraised value in some cases.

- Lists of ALL properties owned by Homer Township, including the way they are identified, by name, address and PIN number. Please also include their size/acreages if available.
- Maps identifying ALL properties owned by Homer Township, both individual maps and one map that shows all properties owned by Homer Township if you have created that already.
- Surveys of ALL properties owned by Homer Township.
- Appraisals of ALL Homer Township property done since May of 2021.

Thank you,

Gail Snyder
