**Subject:** Chili cook off

Good morning,

I would like to FOIA the rental agreement for the (since cancelled) HTRO chili cook off that was to be held on the highway dept. property on Saturday, September 30th. I have attached the flyer. Please include all relevant documents including but not limited to:

The rental agreement. If one doesn't exist for this property, please explain how a fundraiser was scheduled for the property.

Does this property use the same form as town hall? If so please include this form.

The event was being Promoted as early as September 3rd (per Steve's Facebook page) so it would be logical that an agreement to use the property was secured long before the event was cancelled on the 28th (per Steve's Facebook page).

I would also like to FOIA the availability of the highway dept, property for rental by any other interested parties. Please include the rates and any restrictions. Please include how this rental space is being made available and advertised to all township residents.

Thank you.

Nancy Hockenberry
