Subject: FOIA Request- Assessor Statement

Chief FOIA Officer,

Prior to taking his oath of office; Assessor Carmen Maurella was required to provide a written statement to the clerk and supervisor declaring his intent to perform full time or part time per 2020-1109-RES1 Compensation of Township Officials

Can you please provide that written statement from the current Assessor, Carmen Maurella *and if* there were any changes to that status, please advise the date of the minutes it was presented and approved at a public meeting by the board (per the ord/res).

Thank you in advance,

Sheri Boniecki-Cooling
