i. Supervisor Steilen Report

Our new Maintenance Foreman, Shawn Smith, is doing a great job together with his maintenance staff. The mulch has been completed at Trantina, the latrine fan has been repaired and is now open. He has been working on fixing the drinking fountain, and that will be ready next spring/summer. Parts are on order for the swings. Morris Park has been cleaned up; it still needs some attention on the pond. Work has started on this building (Town Hall), the pillars by the flag have been painted, along with the white wooden parking lot posts. I am pleased with the progress being made on repairs. An Eagle Scout has started the planning process for replacing the benches around the firepit at Trantina. We are also looking at different fire ring options. The Lockport Jr. Porters held their bonfire at the park on September 19. Overall, everything went well. We are looking into ordering signs to post saying No ATVs are allowed on our properties.

A meeting was held with our TOIRMA Insurance representative to review our insurance coverage. He has suggested that we approve a loss control policy, which will be on November meeting agenda.

General Assistance is still taking up a lot of my time. I will be going to another in-depth training course on October 17. I am also looking to hire an experienced coordinator to come a couple of times a month or when needed. Another option I am exploring is also creating an IGA with another Township to assist with the case load. We purchased Visual GA Software, which will generate reports to help manage the cases. We have had 17 individuals reach out for support since May.

Last month we passed a resolution opposing the compromise from the County for widening 143rd Street. I attended the County Board meeting on September 18, along with the Mayor of Homer Glen. Unfortunately, the County has chosen to move forward with their plan to widen to five lanes from Golden Oak to Parker. I encourage residents to continue the fight by writing to their State Representatives, and U.S. Representatives, since this is a project using federal and state funds. We are not giving up.

Grant funding to finish the Civic Center has been the topic of some Facebook posts. We will discuss finding sources for the Civic Center under the Civic Center update. Last year the Township basically had two grants that they were using to complete projects. One was a CDBG grant for improvements to the senior units at Founders Crossing, which was \$508,000. Of that grant \$40,000 was not spent because the Township failed to meet grant deadlines. The other was \$500,000, an ARPA grant award for Facility Water Service to fund the well and septic system at the Civic Center. Of that grant \$393,555 was expended, the grant managers for Will County viewed that as complete and wanted to close-out the

project.

Because their records indicated Phase I was complete, and the septic system was included in Phase I until a change order was made in January. They did not know that the septic was not complete. There is \$107,000 left in those funds, and I have been trying to prove that we still need the funds as well as explain why it wasn't completed. This grant and the other CDBG grant were not managed properly by the prior administration. The ARPA grant was in response to COVID. In addition, the CDBG grant cycle begins in October and the deadline for submission is March. The prior administration did not apply for any grants in the past grant cycle, and this Board did not take office until May. We will discuss funding sources for the Civic Center during updates under old business. The difficulties we are having with the grant documentation also are affecting our Annual Audit and Single Audit. We have received an extension.

This was not budgeted during the last cycle. The Employee contribution is \$0 for single person, \$20 for a plus 1: \$50 for a family, \$3200 – Employee with Family, \$2398 – Employee with Spouse, and \$898 - Single person.

AGENDA SUPPLEMENT SHEET

Agenda Item Number:

8.b

Township Board Meeting Date:

November 17, 2025

Item Title: Approval of Resolution 2025-1117 RES1 approving an IGA between Homer Township, its partnering entities, and Will County for the transfer of Dial-A-Ride services.

Motion for Consideration: Is there a Motion to Approve Resolution 2025-1117 RES1 approving an Intergovernmental Agreement between the Township of Homer, its Partnering Entities, and the County of Will for the transfer of Dial-A-Ride services?

Staff Contact: Supervisor Steilen

Background Information: The Township currently participates in the PACE Dial-a-Ride service which provides transportation for seniors and those with disabilities within the Township and a limited area outside of the Township. Will County has a new Access Will County Dial-a-Ride service that is currently operating in limited areas of the county. The County, the City of Joliet, Joliet Township, Lockport Township, Troy Township, Jackson Township, and Homer Township would like to expand their service areas. This can be accomplished through the attached agreement with the purpose of consolidating and transfer of management of Central Will Dial-A-Ride to Will County's Dial-A-Ride service Access Will County.

Budget Implications: Homer Township currently provides this service to its residents through PACE. Funds are allocated to line 748 in the Town Fund. The current fiscal year budget is \$20,000. Through October, we spent \$1088.03. With expanded options and a more user-friendly service provided through Will County, ridership is likely to increase. In FY 24/25, the Township spent \$1,933.44. There should be enough funds in the budget to handle the increase in ridership with time to assess the use before planning the next budget for FY 26/27.

Resolution 2025-1117 RES1

Intergovernmental Agreement Between Central Will Dal-A-Ride and the County of Will

October 23, 2025

Pace Suburban Bus
Kisha Hearn – Senior Project Manager
550 W. Algonquin Rd
Arlington Heights, IL 60005

Senior Project Manager Hearn,

As the local representatives of Central Will Dial-a-Ride — including the City of Joliet, Homer Township, Jackson Township, Joliet Township, Lockport Township, and Troy Township — we have met with Elaine Bottomley and Colin Phillips from Will County to discuss transitioning from Central Will Dial-a-Ride to Access Will County Dial-a-Ride.

Following these discussions, we have determined that consolidating Central Will Dial-a-Ride with Access Will County Dial-a-Ride will best serve our communities moving forward. We are writing to provide Pace with advance notice of our intent to pursue this consolidation. At this time, this communication is for informational purposes only and is not a formal request for action. A formal request will not be made until each participating Board has formally approved the necessary Intergovernmental Agreement with Will County.

Each of our City and Township Boards will be discussing and voting on the proposed consolidation in November. Pending those approvals, we anticipate terminating our current agreements with Central Will Dial-a-Ride effective December 31, 2025. At that time, it is our intent that the City of Joliet, Homer Township, Jackson Township, Joliet Township, Lockport Township, and Troy Township would join Access Will County Dial-a-Ride effective January 1, 2026.

We would further request—once formally approved—that the Central Will Dial-a-Ride Operating and Call Center Subsidies be transferred to Will County for the Access Will County Dial-a-Ride program beginning January 1, 2026.

We recognize that this represents a significant transition and want to ensure Pace is aware of our plans as early as possible. We are committed to keeping Pace promptly informed as developments occur and will provide formal notice immediately upon approval by all governing Boards.

Sincerely,

City of Joliet Director of Finance Kevin Sing

In 2027, Will County will assume responsibility for twenty percent (20%) of Central Will Dial-a-Ride's operating costs annually consistent with the Table in Section 3. From FY31 onward the County shall take on complete funding and no cost share shall be expected from Central Will.

The County will calculate the costs for each entity participating based on ridership data for that entity as received by Pace for billing. The City of Joliet will be responsible for sixty percent (60%) of the operating costs of Central Will Dial-a-Ride. The remaining forty percent (40%) shall be apportioned among the Township Parties based upon ridership.

The total invoice Will County receives from Pace for Access Will County Dial-a-Ride is determined by taking the Total Operating Expenses and subtracting the Liquidated Damages, subtracting the Operating Cost Subsidy, subtracting the Call Center Subsidy, subtracting the Fare Revenue Collected, and adding the Call Center Cost. The Total Cost per Trip is determined by dividing the Total Operating Expenses, minus the Liquidated Damages and Operating Cost Subsidy, by the total number of trips. The total number of trips includes trips taken by Riders and their Companions but excludes trips taken by Personal Care Attendants and service animals.

The total invoice submitted to the Central Will parties each month will be determined by the percentage of ridership from residents registered in Homer Township, Jackson Township, Joliet Township, Lockport Township, and Troy Township. For example, if the Central Will townships represent forty-five percent (45%) of the monthly ridership, then approximately forty-five percent (45%) of the total invoice Will County receives from Pace will be invoiced to the Central Will parties.

As stated above, the City of Joliet will be responsible for sixty percent (60%) of the total invoice Will County submits to the Central Will parties. From the remaining forty percent (40%), each township's invoiced amount is determined by multiplying the number of trips taken by its residents by the Total Cost per Trip and subtracting the Fare Revenue Collected by its riders. This

figure is added to the Call Center Cost divided by the product of the number of township trips divided by the total number of Central Will trips. When written out as a formula, the total invoice to each township reads:

$$([Total\ Township\ Trips \times Total\ Cost\ per\ Trip + Township\ Fare\ Revenue\ Collected] \times 40\%) + ([Total\ Central\ Will\ Call\ Center\ Cost \times (Total\ Township\ Trips / Total\ Central\ Will\ Trips)] \times 40\%)$$

Beginning in 2027, the total invoice submitted to the Central Will parties from Will County, calculated by the invoice Will County receives from Pace, will be reduced by twenty percent (20%) annually as Will County will assume responsibility for an increasing share of the program cost. As outlined in the table above, the graduated decrease in the total Central Will invoice will begin in 2027 and conclude in 2031 when Will County assume total financial responsibility for the consolidated Central Will and Access Will County Dial-a-Ride program. The formula referenced in the above paragraphs will be applied to this reduced amount invoiced to the Central Will parties.

The monthly invoices Will County submits to the Central Will parties will include invoice submitted to Will County by Pace in addition to the invoice spreadsheet containing the calculations used to determine each Central Will party's invoice.

Invoices are due within 30 days of receipt. If payment is late, the County may issue a 14-day notice. If payment is not received during that time, the County reserves the right to charge the applicable daily statutory interest.

Payments should be sent to:
Office of the Will County Executive
Mobility Manager
302 N Chicago Street
Joliet, IL 60435

Section 4. Maximum Cost for Central Will Contribution. The Parties agree that the annual maximum program cost collectively invoiced to Central Will partners shall not exceed \$325,000

Section 5. Program Oversight. The COUNTY agrees to oversee and manage the operations of Access Will County.

Section 6. Term and Termination. This agreement will be in effect beginning January 1, 2026 and will continue thereafter through December 31, 2030 unless terminated earlier by a party in accordance with this Section. Any party may terminate this Agreement upon 90 days advance written notice to the other parties. In the event of termination by any Party, the terminating Party shall remain responsible to fulfill its funding obligations for the portion of the fiscal year in which

the termination is effective and any services or expenses already incurred and approved. The remaining parties shall make reasonable efforts to mitigate any disruption to services caused by the termination. Termination shall not relieve any party of obligations incurred prior to the effective date of termination, including payment of outstanding invoices or compliance with indemnification provisions.

Section 7. Indemnification. Each Party shall indemnify, defend, and hold harmless the other Party or Parties its affiliates, officers, directors, employees, agents, representatives and the like from and against any and all third-party claims, direct damages, losses, liabilities, judgments, settlements, costs, expenses (including but not limited to reasonable attorney's fees) arising from or in connection with any services provided by this Agreement and any breach of this Agreement except to the extent that such claims, damages, losses, liabilities, judgments, settlements, costs and expenses are caused by the negligence or intentional misconduct of the other Party.

Section 8. Severability. Each provision of this Agreement shall be interpreted in such a manner as to be effective and valid under applicable law. If any provision of this Agreement shall be prohibited by, or held to be invalid under, applicable law, such provision shall be ineffective solely to the extent of such prohibition or invalidity, and shall not invalidate the remainder of the provision or any other provision of this Agreement.

Section 9. Dispute Resolution. This Agreement shall be interpreted under, and governed by, the laws of the State of Illinois, without regard to conflict of laws principles. Any claim, suit, action, or proceeding brought in connection with this Agreement shall be in the Twelfth Judicial Circuit, Will County, and each party hereby irrevocably consents to the personal and subject matter jurisdiction of such court and waives any claim that such court does not constitute a convenient and appropriate venue for such claims, suits, actions, or proceedings. If a resolution cannot be reached, the dispute may be submitted to arbitration in accordance with the laws of Illinois.

Section 10. No Waiver of Tort Immunity Defenses. Nothing contained in this Agreement, is intended to constitute, nor shall it constitute, a waiver of the defenses available to either of the Parties under the Illinois Local Governmental and Governmental Employees Tort Immunity Act (745 ILCS 10/1-101 *et seq.*) with respect to claims by third parties.

Section 11. Entire Agreement. This Agreement is the sole and exclusive statement of the understandings and agreements of the parties with respect to its subject matter. No provision of this Agreement may be modified, waived or amended except by a written instrument executed by the parties hereto.

Section 12. Attorney's Fees. In the event an action, lawsuit, or proceeding, including appeal therefrom, is brought for failure to fulfill or comply with any of the terms of this Agreement,

each party shall be responsible for their own attorney fees, expenses, costs, and disbursements for said action, lawsuit, proceeding, or appeal.

Section 13. No Waiver. The failure by any party to enforce any provision of this Agreement shall not constitute a waiver by that party of that provision or of any other provision of this Agreement.

Section 14. Effective Date. This Agreement shall be deemed dated and become effective on January 1, 2026.

Section 15. Notice. Any notice under this agreement must be in writing and must be given via electronic mail or mail. The notice must be addressed as follows or to such other addresses as either party may specify in writing:

**HOMER TOWNSHIP
WILL COUNTY, ILLINOIS**

RESOLUTION NO. 2025-1117RES2

**RESOLUTION DECLARING CERTAIN PERSONAL PROPERTY TO BE SURPLUS AND
AUTHORIZING DISPOSAL**

WHEREAS, the Homer Township, Will County, Illinois (the "Township"), is a township organized and existing under the laws of the State of Illinois; and

WHEREAS, the Township presently owns certain items of personal property that are no longer necessary, useful, or economically reasonable to retain for Township purposes; and

WHEREAS, Section 30-50(d) of the Illinois Township Code (60 ILCS 1/30-50(d)) authorizes the township board to sell or otherwise dispose of Township personal property that is no longer needed; and

WHEREAS, the Township Board of Trustees finds that the cost of further maintaining, storing, repairing, insuring, or attempting to market certain items of personal property is not justified in light of their age, condition, and limited value to the Township; and

WHEREAS, the Township Board further finds that it is in the best interests of the Township that such items be declared surplus and that the Township Supervisor be authorized to dispose of them in a manner that minimizes cost and liability to the Township and, where practicable, recovers any reasonable remaining value;

NOW, THEREFORE, BE IT RESOLVED by the Township Board of Trustees of Homer Township, Will County, Illinois, as follows:

SECTION 1. SURPLUS PERSONAL PROPERTY.

The following items of Township personal property are hereby declared to be surplus, obsolete, or of no further use to the Township:

1. 2011 Ford F-250 with plow
2. New salt spreader
3. Three (3) water tanks for potable and non-potable water
4. Craftsman riding mower (broken down / in need of substantial repair)
5. Trailer

6. Ten (10) long banquet tables and thirty-two (32) teal chairs (purchased used for \$500)
 7. Twenty-nine (29) tan chairs
 8. Fourteen (14) other chairs
 9. Old fountain pump requiring an estimated minimum of \$3,746 in parts to repair
- (collectively, the “Surplus Property”).

The Township Board finds and determines that the Surplus Property is no longer necessary or useful to the Township, and that the cost of retaining, repairing, or storing such property is not in the best interests of the Township.

SECTION 2. AUTHORITY OF SUPERVISOR TO DISPOSE OF SURPLUS PROPERTY.

A. General authority. The Township Supervisor is hereby authorized and directed, on behalf of the Township, to dispose of the Surplus Property in such manner as the Supervisor determines to be in the best interests of the Township, including, without limitation:

1. Sale by public auction;
2. Sale through an approved internet auction service;
3. Sale by sealed bids;
4. Private sale for not less than the reasonable fair market value of the item, taking into account its age and condition; or
5. If, in the Supervisor’s judgment, an item has no reasonable resale value or the anticipated costs of sale, storage, and handling would equal or exceed any resale proceeds, disposal of such item by recycling, scrapping, or discarding as refuse.

B. Old fountain pump. With respect to the old fountain pump described in Section 1, the Township Board specifically finds that the pump is inoperable, that the minimum estimated cost of parts needed for repair is approximately \$3,746, and that such cost exceeds the reasonable value of the pump to the Township. The Supervisor is therefore expressly authorized to discard, scrap, or otherwise dispose of the fountain pump as waste without attempting to sell it.

C. Proceeds. Any net proceeds received from the sale of any of the Surplus Property shall be deposited into the appropriate Township fund(s) as determined by the Township Supervisor and Township Treasurer in consultation with the Township’s auditors.

SECTION 3. IMPLEMENTATION.

The Township Supervisor is authorized to execute any documents and take any actions reasonably necessary to effectuate the intent of this Resolution, including, without limitation, bills of sale, auction agreements, and other customary disposal documents.
